### Candle Care Guidelines:

Never leave a burning candle unattended. Keep the candle free of matches and other flammable material. Trim wick to 5mm prior to lighting. If candle smokes, extinguish and trim wick. Burn only on a stable, heat resistant surface. Keep out of reach of children and pets. Do not burn candle in a draught. Do not touch or move candle while burning, or if wax is hot. For best results burn candle for 4 hours at one time. Candles should be burned away from other sources of heat such as tv sets and direct sunlight, Ensure candles are placed at least 10cm apart.
