Instructions for Use:

Simply remove the cap and insert the reeds in to the scented oil. Allow a few minutes for the reeds to absorb some of the fragrance. Carefully withdraw the reeds, turn them upside down and place the dry reeds back in to the bottle. The oil will travel up the reeds and diffuse the fragrance. Refresh the scent by turning the reeds upside down every few days.

Caution:

Always wash hands after contact with the oils. Eye irritant. May be harmful if swallowed. Keep out of reach of children and pets. Do not light reeds. Keep away from heat, sparks and open flames. Do not pour down drain. Do not place bottle on finished surface, as oil is harmful to such surfaces.

Additional Information:

Contents: 100ml
